INTRODUCTION

Many of the original founders of Alton's business interests, builders of homes and leaders in our civic and religious life now sleep in our Cemetery, which overlooks the majestic Mississippi.

From their tombs comes a solemn appeal for the respect and reverence due to the dead.

Since the death of the original owners, a number of lots owned by respected citizens, have been and are still being neglected by those who should care for them.

Left to individual lot owners no uniform system of care and improvement is possible, even with the best intentions at first entertained by the mourning survivors.

Don't say you will leave the money in your will. You will probably forget it. Do it at once. If you will do this the problem of keeping your Cemetery perpetually a place beautiful will be solved.

GIFTS FOR CEMETERY CARE

Gifts, donations and bequests for the care of the lot of the donor or his family are not charitable, religious or civic donations and are not tax exempt. The problem of continuous care for individual graves commonly known as "perpetual care" should be provided for in the usual form by payment of the established sum for that purpose at the time of purchase of the lot; or for old lots on which "perpetual care" has not been established, the family should do so now by making payment to the cemetery for that purpose.

The walks, lawns, fences and general beautification and upkeep of the cemetery requires substantial sums annually. Persons desiring to make gifts, donations, and bequests for such purpose either for current use of the principal amount or in trust for perpetual use of the income may do so on a tax-exempt basis. The cemetery is not charitable or religious, but is on a civic basis as the public cemetery of the City of Alton. Donations or bequests of money for general care and maintenance of the Cemetery may be made in substantially the following forms:

DONATIONS

Checks may be made to order of ALTON CEMETERY and sent to the secretary with instructions to be used "for the care and maintenance of the cemetery of the City of Alton" or with instructions "to hold in perpetual trust and to use and apply the income thereof for the care and maintenance of the cemetery of the City of Alton." Cash gifts may be delivered or mailed to the secretary with like instructions.

SUGGESTED WILL PROVISIONS

(a) Provision in a will for any sum to be used, principal or interest as the trustee sees fit, may be substantially as follows: I GIVE AND BEQUEATH TO ALTON CEMETERY, an Illinois Corporation, not for profit, the sum of \$..... for the care and maintenance of the cemetery of the City of Alton.

(b) Provision in a will for substantial gifts to be held in trust and the income only

to be used may be in the following form: I GIVE AND BEQUEATH TO ALTON CEMETERY, an Illinois Corporation, not for profit, the sum of \$..... to be held in perpetual trust and to use and apply the income therefrom for the care and maintenance of the cemetery of the City of Alton.

Alton, Illinois

Gentlemen:

Reference is made to letter dated April 15, 1950, from your attorney, Mr. Bruce Quackenbush, with which he enclosed two copies of Ordinance No. 2347 passed by the City Council of the City of Alton, Illinois, on April 12, 1950, and approved by the Mayor of the City on April 13, 1950, and two copies of a deed by which you transferred to the City of Alton the cemetery and burial grounds now known as the Alton Cemetery.

It is provided in the deed that you shall, to the extent of the funds available to you, assume perpetually the responsibility for the care and maintenance of the cemetery. In order to discharge that obligation, it is also provided that you shall have certain enumerated powers adequate to the effective operation and management of the cemetery. It is contemplated that gifts will be solicited from time to time for the cemetery's general endowment fund.

In a letter dated December 16, 1949, the Honorable Scott W. Lucas, United States Senator, was advised that under the facts and circumstances of your case, if the transaction was carried out in the manner proposed contributions to you for the care and maintenance of the Cemetery of the City of Alton will be deductible for Federal income tax purposes subject to the limitations of section 23 (o) and

(q) of the Internal Revenue Code, and for Federal estate tax purposes, assuming, of course, that no specific benefit will flow to any donor and that no consideration will be received by any contributor on account of such gift. A formal ruling is requested in accordance with the letter to Senator Lucas of December 16, 1949, in view of Ordinance No. 2347 and the transfer of the property to the City as provided in the deed carrying out the proposed transaction which formed the basis of that letter.

It is the opinion of this office, based upon the evidence presented, that contributions made to you on and after April 13, 1950, the date of approval of Ordinance No. 2347 accepting the deed conveying the property to the City, earmarked for the care and maintenance of the Cemetery of the City of Alton are deductible by the donors in computing their taxable net income in the manner and to the extent provided in section 23 (o) and (q) of the Internal Revenue Code, as amended.

Bequests, legacies, devices or transfers to or for your use on and after April 13, 1950 earmarked for the care and maintenance of the Cemetery of the City of Alton are deductible in arriving at the value of the net estate of a decedent for estate tax purposes in the manner and to the extent provided by sections 812 (d) and 861 (a) (3) of the Code. Gifts of property to you on and after April 13, 1950, earmarked for the care and maintenance of the Cemetery of the City of Alton are deductible in computing net gifts for gift tax purposes in the manner and to the extent provided in section 1004 (a) (2) (A) and 104 (b) (1) of the Code.

This ruling is conditioned upon your corporation being so operated that no specific benefit will flow to any donor and no consideration will be received by any contributor on account of such gift.

The collector of internal revenue for your district is being advised of this action.

By direction of the Commissioner.

Very truly yours,

/S/ E. I. McLARNEY

Deputy Commissioner

AMENDMENT

These By-Laws may be amended by a majority vote at any regular or special meeting of the lot owners.

RULES AND REGULATIONS

Before an interment an official death certificate must be obtained as provided under Illinois Statutes, and must be filed with the Cemetery's secretary.

Sunday funerals are not encouraged.

Construction of vaults, placing of headstones or other markers, moving of bodies may be done only under supervision of the secretary's representative, for which reasonable charges will be made.

For burial of bodies at other than usual daylight hours, special arrangements with the sexton must be made.

In cases of deaths from pestilential diseases, bodies may not be removed short of three years and not then during the months from

April 1 to October 1. Where death resulted from small pox, diphtheria, scarlet or typhus fevers or other pestilential diseases, removal cannot be made in less than five years.

Grades of lots shall conform to that which may be established.

Mounds should not be elevated over 3 inches above lot level. Encouragement is given to the doing away with mounds, and holding the surface of the lots level. Flattening of headstones on top of the lot is desirable, so that grass may be mown with greater facility.

Directors of the Cemetery reserve to themselves all powers of control and decision as to what may be placed on a lot or what may be removed therefrom. No trees may be cut down without express permission of the cemetery directors.

No inscriptions may be placed on any marker, vault or tomb that may be deemed improper by the cemetery directors, and should such inscriptions be made the directors are authorized to remove such inscription.

Workmen engaged in any projects on the cemetery grounds are required to conduct themselves with suitable decorum; also they must maintain tidy conditions in the vicinity where they work.

No fences of any kind may be built on lots or other structures placed thereon.

Scattering of refuse on walks or lots is strictly forbidden. Depositories for such rubbish are provided and their use is required.

Use of the cemetery grounds by outing parties is forbidden. Conduct of all who visit the grounds must be such as will be in proper keeping with the surroundings. All persons and vehicles while in the cemetery grounds shall be subject to reasonable directions of the sexton.

The directors of the cemetery may make and enforce additional rules and regulations not enumerated here consistent with changing times and conditions. Any fault or complaint with existing rules and regulations may be

made in writing to the Secretary which shall be given proper consideration at the next meeting of the directors. Actual enforcement of all rules and regulations shall be in the hands of the sexton.

MADISON COUNTY MAUSOLEUM

The Mausoleum located in the Alton Cemetery does not belong to the Alton Cemetery, but was erected and is owned by the Madison County Mausoleum Company, a business corporation, organized under the laws of the State of Illinois July 13, 1912 on land in the Cemetery transferred to such corporation for that purpose in the year 1912 reserving to the Alton Cemetery and its members the following rights:

The Chapel in the Mausoleum may be used for funeral services over bodies to be buried in the Cemetery.

The receiving vault may be used for the temporary deposit of bodies intended for burial elsewhere than in the Mausoleum, but such charges may be made by the owners of said Mausoleum for the use of said vaults as shall be reasonable and proper, not to exceed, however, five dollars (\$5.00) per month, per corpse.

The toilet room in the Mausoleum shall be for the use of funeral parties and visitors free of charge.

The owners of the Mausoleum may make and enforce all reasonable rules and regulations concerning said Mausoleum and the burial of the dead in the crypts therein, which are not inconsistent with the rules and by-laws of the Cemetery Association.

FEDERAL CEMETERY PLOT

On June 25, 1940 the Board of Directors authorized that a tract of ground on the East side of the Cemetery be set apart and conveyed in fee simple title to the United States Government for the use as a National Cemetery. This part of the Cemetery is now under the exclusive jurisdiction of the United States Government.

CEMETERY ENDOWMENT TRUST

A separate corporation was organized under the Illinois Not for Profit Act, December 12, 1924 known as CEMETERY ENDOWMENT TRUST OF ALTON. This corporation is still in existence and holds certain trust funds which were given to it for the use of the Cemetery. No official ruling as to Federal Tax exemption has been requested on gifts to CEMETERY ENDOWMENT TRUST OF ALTON. It is suggested that CEMETERY ENDOWMENT TRUST OF ALTON be kept in existence for the purpose of holding existing trust funds; gifts in trust for use in maintaining specific graves, or other gifts in trust not within the exemptions available to ALTON CEMETERY, a corporation. At the present time the trust funds of ALTON CEMETERY and of CEMETERY ENDOWMENT TRUST OF ALTON are held, managed and invested by First National Bank and Trust Company in Alton under an agency agreement and the monies paid over for the use on the cemetery of the City of Alton for the purposes specified in the various gifts.

The Directors of CEMETERY ENDOWMENT TRUST OF ALTON are the same individuals as the Directors of ALTON CEMETERY and the President is the same, but the other officers and the registered office and agent are kept separate to avoid confusion.

ADDENDA

GRANDVIEW MAUSOLEUM

The Madison County Mausoleum Company, a corporation was dissolved pursuant to resolution of March 6, 1951 and the property and building were transferred to Alton Cemetery as part of the liquidation proceedings. (See deed dated March 6, 1951, recorded in Book 1263 Page 41 in the Recorder's Office of Madison County, Illinois.) All of the affairs of the Madison County Mausoleum Company are now wound up and the company has gone out of existence. The Mausoleum is now under the ownership, control and care of Alton Cemetery. The general rules of the cemetery are to be observed in connection with the Mausoleum Building by crypt owners in substantially the same manner as if said crypts were graves in the cemetery, insofar as the general rules are applicable. Crypt owners are not allowed to have entombments made in their crypts for remuneration. Other specific requirements in connection with the use of the Mausoleum Building are regulated by resolution of the Board of Directors of Alton Cemetery. All inquiry in reference to the Mausoleum shall be made to the Alton Cemetery's secretary and access thereto by keys in possession of the sexton. Cemetery lot owners are privileged to use the Mausoleum chapel and restrooms as heretofore. The building shall be known as the GRANDVIEW MAUSOLEUM, Alton Cemetery. The mausoleum building is not vested in the City of Alton and, therefore, contributions made with express limitation that they are to be used for upkeep of the mausoleum or attention to any crypt therein, would be the same as any other contribution for a specific grave, plot or private monument and not deductible under the foregoing ruling of the Commissioner of Internal Revenue.
